

# CMT ASSIGNMENT

## Photoshop Text Effects

<b>Objective:</b>	Create interesting text effects
<b>Due Date:</b>	March 13, 2015
<b>Procedure:</b>	<p>Follow the tutorials to learn how to apply effects to text in Photoshop. Choose 4 to submit for evaluation.</p> <p><a href="#">6 Quick'n'Dirty Photoshop Text Effects From Scratch</a> <a href="#">Reflective Liquid type Photoshop Tutorial</a> <a href="#">Superman 3D Extruded text Photoshop Tutorial</a> <a href="#">Original Gangsta bling diamonds Photoshop Tutorial</a> <a href="#">Texturing your way to 3D Photoshop Tutorial</a></p> <p>You may search for other tutorials on Photoshop text effects on the Internet, but be aware that some may use features not available in the version of Photoshop we have at the school.</p> <p>You may also get creative and make up your own text effects, but before submitting it for evaluation, check with the instructor to see if it will be acceptable. It must involve several steps and be impressive. Adding one or two simple filter effects will not qualify, for example.</p> <p>Your submitted images must be no bigger than 800 px wide. Remember to export as jpg.</p>
<b>Filename:</b>	<p>CMT Text Effect 1 – <i>last name, first name</i> CMT Text Effect 2 – <i>last name, first name</i> CMT Text Effect 3 – <i>last name, first name</i> CMT Text Effect 4 – <i>last name, first name</i></p> <p>copy and paste, replacing <i>last name, first name</i> with your name Shortcut hint – after selecting a file, the F2 key allows you to rename</p>
<b>Assessment</b>	<p>16 pts (4 pts for each one)</p> <p>Partial marks awarded if results do not closely resemble the examples.</p>
